

How safe is your home?

Do you need:

- a free smoke alarm?
- free home security equipment?
- free child safety equipment?

CALL 0845 351 0642

Everyone should feel safe and secure in their home. However, your home can hide many dangers.

Safe as Houses can help make your home safer.

We offer advice and information on fire safety, home security, falls prevention and child safety.

We can also fit a range of free equipment allowing you to have a safer home.

Home Security

It is important to feel secure in your home. Many burglaries are prevented by fitting basic security.

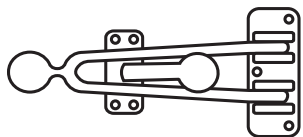

The 'Safe as Houses' project can install a range of simple and effective measures to your home for free.

Equipment we can fit includes:

- Additional locks
- Window locks
- Wide angled door viewers
- Door bars and bolts
- Letterbox covers
- Equipment to help deal with people at the door e.g. intercom

All Camden residents aged over 60 and disabled residents can receive a free home security check. Priority will be given to those in a Neighbourhood Renewal Area, owner occupiers and private tenants.

All work will be done to standards agreed with Camden's Crime Prevention team

Fire Safety

It is important to protect your family and home from fire. A working smoke alarm can save lives.

The **Safe as Houses** project offers free home fire safety checks and the installation of a free 10-year battery powered smoke alarm to all Camden residents.

The aim of the visit is to:

- Identify any potential fire risks
- Give advice on how to reduce or prevent the risk of fire
- Identify an escape plan, in the event of a fire

We also install specialist smoke alarms for hard of hearing or visually impaired residents.

All Camden residents are eligible for a free smoke alarm.

Child Safety Equipment

Accidents can happen in any home, it is especially difficult to protect children from injury. We can help you make your home a safer place for your children. The **Safe as Houses** project can install a range of simple and effective measures to protect your children for free.

Equipment we can fit includes:

- Stair-gates (for children under 18 months)
- Cupboard catches
- Window locks
- Furniture corner cushions

Any Camden resident with children under five living in a Neighbourhood Renewal Area and on means tested benefits can apply for a free home safety check.

- All of these services are free – no charge will be made
- All work will be carried out to high standards by our fully trained staff
- Home visits will always be pre-arranged
- Staff will always carry ID

Who are we?

Safe as Houses is an initiative that aims to improve all aspects of health, safety and security in the home for residents of Camden. The work is coordinated by representatives of Camden Council, London Fire Brigade, Metropolitan Police, Primary Care Trust and the voluntary sector. The project was launched in March 2003 and is funded by the London Borough of Camden.
